

# Renewable Energy Franchise Development in Texas

Tuesday, Feb. 23<sup>rd</sup> at 7:15PM  
Wednesday, Feb. 24<sup>th</sup> at 6:45PM

RenewableOne's Centers of Excellence Present the Following Speakers

## Speakers

**Craig Laher** President, CEO & Co-Founder of RenewableOne and Managing Director of ProVisions, LLC a multi-national real estate development & investment company engaged in public-private JV's, economic development, and development of LEED® Certified "Green Buildings" will discuss the *Opportunities & Challenges of Future Integration of Renewable Energy into Real Estate.*

**Frank Smith** President of Sologen Systems and General Manager of RenewableOne South Texas will outline the *Renewable Energy Franchise Store Investments & How They're Financed.*

**Robert Hunt** Renewable Energy Inventor and Co-Founder of RenewableOne, Founder of Pyramid Solar Renewables, and Founder of Linear Power Ltd. will briefly describe *Two (2) of His Breakthrough Inventions:* a geothermal power cycle that produces more than twice the power of conventional geothermal cycles; and, his concentrating solar power building material that provides structural roofs and walls.

We Welcome Discussions with Renewable Energy Manufacturers in  
Regard to Product Representation and Co-Manufacturing Opportunities

# Renewable Energy Franchise Development in Texas

Tuesday, Feb. 23<sup>rd</sup> at 7:15PM  
 Wednesday, Feb. 24<sup>th</sup> at 6:45PM

## Exclusive Building Integrated Renewable Energy Product Line

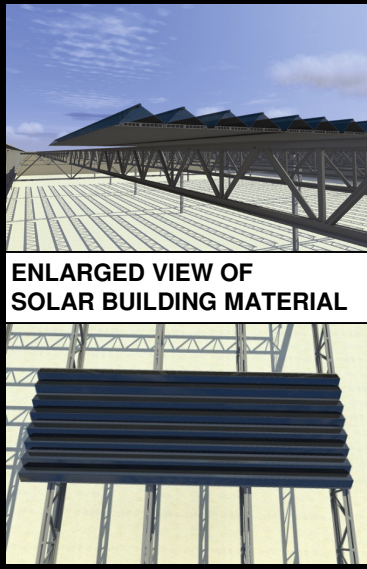

**RenewableOne**  
 the power in real estate

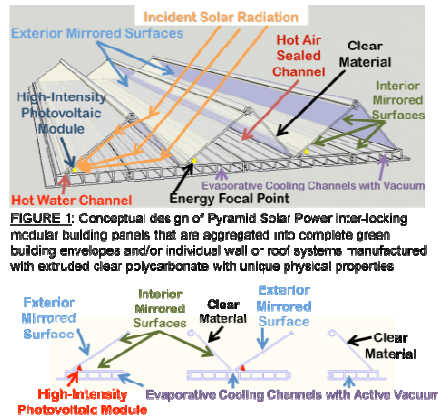

Geothermal for Real Estate Applications

Free Piston Engine

### SCHEMATIC END PROFILE OF SOLAR BUILDING MATERIAL

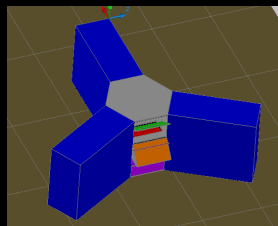

RenewableOne  
 \$\$\$  
 RenewableOne Franchises are actually Commercial Scale Renewable Energy Electrical Power Plants with a Large Established Monthly Income.

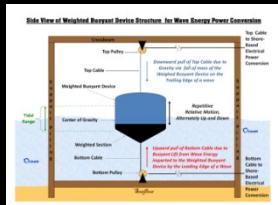

Continuous Revenue thru Green Power Sales

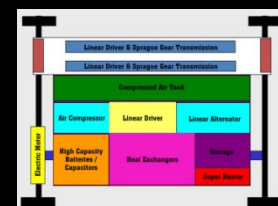

Oil & Gas Geothermal

Wind Towers for Vertical Axis Turbine

Buoyancy / Wave Generator

Compressed Air-Powered Vehicles

### "How-To" RENEWABLE ENERGY STORE FEATURING CENTERS OF EXCELLENCE FOR...

- \$CONTINUOUS REVENUE FROM GREEN POWER SALES
- UTILITY BILL SAVINGS
- POWER PURCHASE AGREEMENTS ("PPA")
- \$GREEN FINANCIAL INCENTIVES
- ENERGY EFFICIENCY
- ENVIRONMENTAL STEWARDSHIP
- DEMONSTRATION OF RENEWABLE TECHNOLOGIES ... ALL KNOWN MAKES, MODELS, BRANDS
- PROFESSIONAL ASSISTANCE ON POWER GENERATION EQUIPMENT SELECTIONS
